A Generous Church: Week 2

1. Share what stood out to you from the service this past Sunday (Passage, verse, point, illustration…).

2. Read Philippians 4:10-20. As demonstrated by this early church toward Paul, discuss the ways that we can give generously, even we have to make sacrifices to do so.

3. Paul states that he had learned how to be content in any given situation. How does an attitude of contentment affect our attitude in giving to others?

4. Giving and generosity should not be done through an attitude of obligation. What are some ways that we can learn to give out of genuine love in order to partner with those involved in the work of the gospel?

5. Paul reminds this church that God will always provide the needs that we have. How can trusting God's provision help us to overcome the fear and anxiety that is often associated with being generous in our giving?
