## LIFE GROUP NOTES

### For the week of February 1st, 2026

1. Share what stood out to you from the service this past Sunday (Passage, verse, point, illustration...).
2. Read Revelation 3:14-22. What does Jesus mean when he says that he preferred the church of Laodicea to be either hot or cold?
3. Discuss the hindrances to the gospel that were present in this city.
4. From verse 19, how should this verse encourage the believer? Discuss why the Lord's discipline is difficult to endure, but effective in its results.
5. What did this church fail to realize about itself that Jesus brought to their attention? How should we apply this to our own lives today?
