LIFE GROUP NOTES

For the week of August 30th, 2026

1. Share what stood out to you from the service this past Sunday (Passage, verse, point, illustration...).
2. Share with the group your understanding of grace.
3. Share passages of scripture that speak of God's grace and how he responds to us through genuine repentance.
4. Discuss the impact that grace has on a person as opposed to greater restrictions.
5. Discuss the difficulty associated with extending grace to an individual who has caused us harm. Why is it so difficult to show grace without adding stipulations or conditions? How does the gospel help us in this regard?
